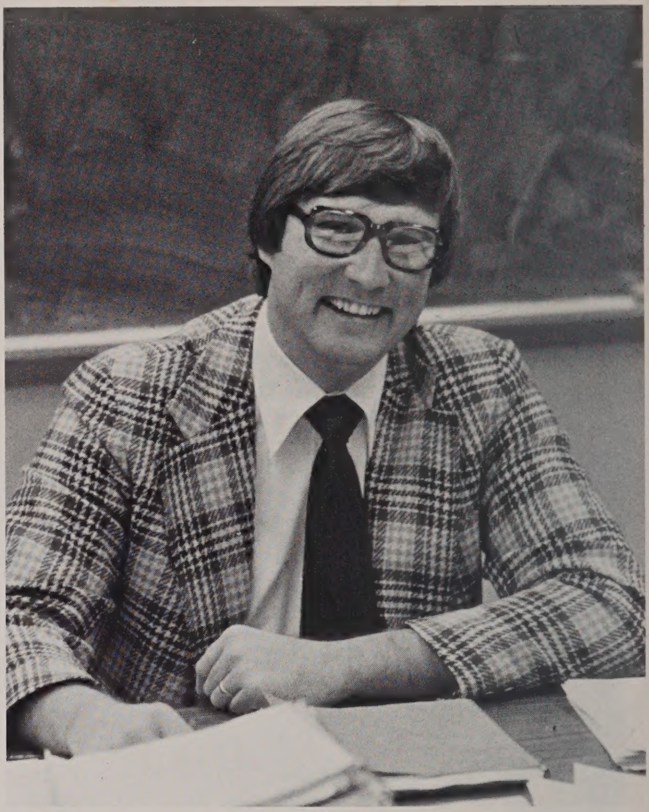
Mr. Robert P. McNamara



Dedication

By a vote of the entire Class of '77 this yearbook is dedicated to Mr. Robert P. McNamara. He is a member of the Social Studies Department. He has also worked hard for many seasons coaching the varsity soccer teams and the boys' freshman basketball teams. Mr. McNamara enjoys his work, surroundings, co-workers and the challenge at Bay Path. He is eager to share his knowledge and such eagerness makes him effective with both student and team members.

Born in Webster, Massachusetts, he attended Saint Joseph's Grammar School and Bartlett High School. Later he received from Worcester State College a Bachelor of Science Degree in Secondary Education with a major in history and a minor in science and geology. Before he came to us, Mr. McNamara taught at Epsom Central School in Gossville, New Hampshire. There he coached baseball, basketball and soccer.

The special things in his life are his family and his dog. His goal is to become better at what he does. Mr. McNamara, you do it well already. Congratulations!

Administration

Message for Yearbook

Congratulations to the "Class of 1977." You have made it, but not all the way. You have only made it over the first step. Up until now, you have had plenty (maybe you feel even too much) of direction and unsolicited advice. All of this direction and advice must have served some purpose, for here you are "a graduate" of Bay Path Vocational High School with all the basic training necessary to get you started. Use the training, continue to listen and learn, and you cannot fail. Have a full life and return to Bay Path Class Reunions successful.

In Memory of
Timothy H. Scully
March 25, 1959-December 22, 1975

Because I could not stop for Death,
He kindly stopped for me;
The carriage held but just outselves
And Immortality.

We slowly drove, he knew no haste,
And I had put away
My labor, and my leisure too,
For his civility.

We passed the school where children played
At wrestling in a ring;
We passed the fields of gazing grain,
We passed the setting sun.

We paused before a house that seemed
A swelling of the ground;
The roof was scarcely visible,
The cornice but a mound.

Since then 'tis centuries; but each
Feels shorter than the day
I first surmised the horses' heads
Were toward eternity.
